JAMES JONES & CO.

OriMedicated Compound.

If yill efficiency of this justly celebrated embroarting a gloss and silkon sounces to the law, is how so widely known and acknowledged. Until it has gained by its merits a reputation which is not for a day, but for al time. It is the province of science to subdue and control these physical evils which refined civilization has braught in its train; for solong as warm rooms and tight hats with the combined agency of other influences exist, will thousands of unhappy victims be troubled with hald heads and grey hairs, to say nothing of the various cutangous discusses to which the head is subjected. It was to releave these evils that Professor Barry introduce his invaluable remedy, and among the thousand and one who have been his competitors, he now stands almo on that pelestal of success, hewn out of flavry's Tricopherous, and sustained by the favor and universal putronage of a discerning and inteligent public. For restoring the hair to its original growth, or preventing it from falling out, the compound has been pronounced by all medicas men to be a sure remedy. For endicating scurf, dandruff, and curing discusses of the skin, giands, muscles, stings and bridges, the Tricopherous will always be found a safe, speedy, and antaling cure; and so long as safe, speedy, and mulailing cure; and so long as safe, speedy, and mulailing cure; and so long as

Pair treeses man's imparial race ensuare. And beauty draws us with a single heir, will flarry's Tricophorous be essential to the tin'er of every ledy and gentleman who desire to give a soft, glossy and lexuriant spectrance to the natural drapery of reason's throne.
